

## **The Canadian Cochrane Network and Centre Website Disclaimer (March 2007)**

### **Content**

Although The Canadian Cochrane Network and Centre (CCNC) makes every effort to ensure that the information provided on this site is accurate and reliable, this information should never be a substitute for the advice of a trusted health care professional. In no case will the CCNC be held responsible for decisions made based on the information found in this site. Decisions regarding your health should always involve the assistance of a trusted health care practitioner.

### **Software**

The CCNC takes no responsibility for any computer or other damage caused by web or other software which is available for browsing or downloading on the CCNC website. All downloaded software remains the responsibility of the original author and is subject to the original author's copyrights and disclaimers.

### **External Links**

Although each external link on the CCNC website has been carefully selected, the CCNC takes no responsibility for the content of websites to which the CCNC website links. If you discover a dead link or have any concerns that have not been addressed by the above information, please contact The Canadian Cochrane Network and Centre at: [cochrane@uottawa.ca](mailto:cochrane@uottawa.ca).
